Body	Stainless steel base and arms
Lifting Capacity	Up to 450 lbs
Pouring Height	Up to 60.5" (for 140 qt bowl) Up to 64.5" & 65.0" (for 80 qt & 60 qt bowl) Up to 62.0" (for Savage Bowls 24" x 16 3/4")
Battery	12VDC / Type AGM / Deep Cycle 92 Amp-Hours
On-Board AC Battery Charger	1-Phase / 100-240 VAC / 50-60 Hz / 2 Amps
Weight of Unit	477 lbs
Warranty	1 year limited product warranty

Mobile Yet Powerful Bowl/Container Lifter

The LifTILTruk Model B features a hydraulic lifter that is battery-powered, making it a powerful mobile lifter. Model B has an expanded base width and increased height compared to Model A, perfect for handling heavy bowls and containers with pouring height reaching up to 65 inches.

The LifTILTruk Model B is a powerful partner for pouring and lifting confectionery and bakery products, including candy mixtures, gummy mixtures, fudge batter, cake batter, and more!

KEY FEATURES

- 1 Pendant-style control allows operators to move to the ideal position for pouring contents from the bowl, visible at any point along the vertical lift
- 2 Electric tilt controls provide operators with a high degree of precision, ensuring smooth pouring of even the heaviest loads
- 3 Hydraulic system includes a chain assist that is rated 7X over the lifting capacity
- 4 12-volt DC battery that powers the hydraulic pump and tilt motor for cord-free lifting and pouring
- 5 Flexible lifter construction allows for lifting rectangular bins and tubs, Rubbermaid brute pails and drums, Hobart bowls, and Savage kettles
- 6 Fail-safe lift & tilt feature
