Cooling / Heating Table

Modern Cooling/Heating Table with Advanced Waterflow and Heavy-Duty Build

Provides Fast, Even Cooling/Heating for Perfectly Controlled Batches

With its advanced waterflow design and built-to-last stainless steel construction, the Savage Bros Cooling/Heating Table gives you the consistent surface temperature control needed to achieve perfect candy texture. It delivers this performance whether you're working small batches or heavy, high-volume production.

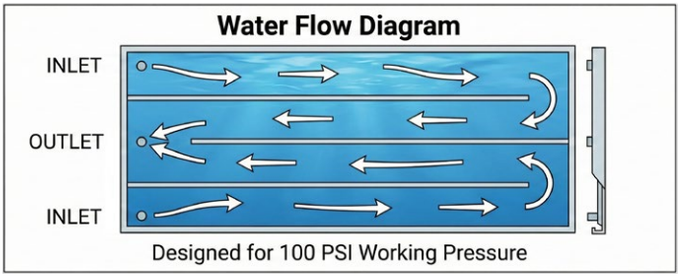

With this table, candy makers can control how quickly or slowly a batch sets, making it easy to achieve a wide range of textures — from chewy gummies to firm hard candies and melt-in-your-mouth chocolates.

KEY FEATURES

1. Unique integral construction minimizes water usage while reducing cooling and heating time
2. Laser-welded stainless steel construction from bottom to top plate eliminates clogging issues common with outdated designs
3. Thick stainless steel tabletop constructed from 7 ga sheet metal with an 18 ga stainless steel underside for durability and strength
4. Extra-wide usable surface area — over 94% of the table, unlike traditional designs
5. Modular design allows tables to be joined for long production lines

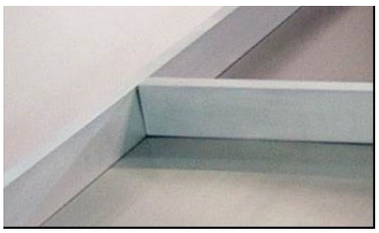

Standard Sizes

Item #	Size	Metric - cm	Surface Area
0811-60	30" x 60"	75 x 150	1,667 sq in
0811-72	30" x 72"	75 x 180	2,009 sq in
0813	36" x 72"	90 x 180	2,432 sq in
0814	36" x 96"	90 x 240	3,260 sq in

Joined tables for long production lines

Special size hinged slab bars may be installed in place of the standard (3/4" sq) slab bars.

OPTIONAL ACCESSORIES | RELATED PRODUCTS

MADE IN USA

Savage Bros Liftiltruks are designed to integrate seamlessly with our Cooling Tables, enabling safe, ergonomic pouring.

Complete Cooling Table Set featuring the Rolling Drum Sizer, Product Leveler, and Adjustable Roller Cutter

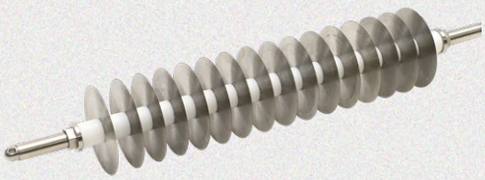

Mountable Holding Rack for the accessories

OPTIONAL

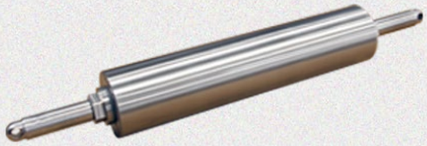

Not included in the Cooling/Heating Table Pricing

Adjustable Product Leveler
Set the desired depth and roll along slab bars to skim the top, creating a flat and even batch.

Adjustable Roller Cutter
Rolls along side slab bars to cut the entire length of the batch.

Rolling Drum Sizer
Weighted drum rolls batches flat. Available in full-table widths or shorter lengths for smaller areas.

LifTilTruks
Bowl lifters are designed to make lifting and pouring a mixing bowl or other containers a safe and easy operation for one person.
